Courier Service

Convenient & secure, let us do the driving…

Why Choose Macatawa Bank's Courier Service?

We realize that convenience is important to every business and that there may not be time to get to the bank during regular business hours. You may have to use an employee's valuable time to drive deposits to the bank. With Macatawa Bank's Courier Service our reliable, contracted courier will deliver deposits to the bank for same day processing.

Product Description

Courier Service saves time so you can focus on your business by conveniently prearranging a schedule for the pickup of deposits. With Courier Service, there is no need to leave your office and drive to the Bank. Additionally, you will no longer need to be concerned about the risk associated with your employees carrying deposits to the bank.

Our business customers rely on our Courier Service for security, professionalism and speed. Reduce stress with the confidence that your deposit transactions will reach the Bank as quickly as possible via our professional courier service.

How it works

Macatawa Bank's Courier Service offers a reliable way to transport deposits from your place of business to the Bank on a set schedule. With Courier Service, banking items and cash deposits (not to exceed $5,000 daily) are picked up directly from your place of business Monday through Friday (excluding Holidays). The courier will deliver your deposits to the nearest Macatawa Bank branch or a centralized processing center in a sealed, tamper-evident bag to ensure same-day processing of items.
